## Institutional Best Practice

“KLR Chirunavvu”, the practice has initiated in the fond memory of late Dr.K.Lakshma reddy garu, the founder chairman of KLR group of institutions and carried out by the Lenora institute of dental sciences with the objective of bringing smiles to the faces of the rural population in and around Rajanagaram, East Godavari dist. The “KLR Chirunavvu” program is being executed through the periodic awareness sessions, screening & treatment camps and also rendering free treatment at the institution level.

The institute is following the ancient caption “**Vruksho Rakshati Rakshithaha**”, the green challenge being carried out at an enhanced pace even by conducting the tree plantation programs at various places including schools. With this practice it can be proudly said that the institute is contributing its share to save the planet.
